TMA First Tuesdays at the Capitol**

This year marks the 20th anniversary of First Tuesdays at the Capitol, a grassroots movement started by Alliance members to amplify TMA's ongoing legislative priorities of protecting the practice of medicine and ensuring the highest quality of medical care for the people of Texas. The 88th Legislative Session is winding down,

but you still have one more opportunity to share your stories at the Capitol on May 2, 2023.

As important members of the Party of Medicine - our voices are making a difference!

Please consider joining local physicians and Alliance advocates by registering below.

Lirios Pediatrics
FREE CARE FOR KIDS

Lirios Needs YOU!

Lirios is requesting volunteers, especially those who are bilingual/fluent Spanish speakers. Whether you can serve on a weekly-, biweekly-, or monthly-basis, they would love to put you to work at the front desk and/or as a translator. Most of the clinical roles are filled, but there is a **Thursday, 8am-12pm slot available** for the front desk/translator, along with the need for a **Friday afternoon 1-5pm** translator. As summer break approaches, more shifts will need to be filled.

If interested in helping, please contact Executive Director, Monica Simmons
MSimmons@liriospediatrics.org
