President's Notes

This past week was the annual TCMA Past Presidents Luncheon and let me tell you all about it... Actually, what happens at Past Presidents Luncheon stays at Past Presidents Luncheon. With that said, I will give a big thank you to Ann Morales and Charlotte Haro who inaugurated this annual event 26 years ago, and another big thank you to Shannon McNeil for organizing this year's event.

In 1999, as part of the 75th Year Celebration for the TCMA, the members got together with a "Hats off to the Past Presidents!" Looking through the history books it's easy to see where their inspiration came from.

BookSpring, TCMS, and TCMA has a long history that is thriving today. The current BookSpring ReadWell program is alive and well throughout Travis County pediatric offices. The program ensures that children birth to age five have access to over 25,000 books each year and develop a lifelong love for reading. Dr. Karen Haslund was once quoted as saying "Second to immunizations, this is the most important thing I do as a pediatrician." This is still true today Dr. Haslund!
