**Note from Christina
Fenrich,
TCMA President**

Greetings Alliance Friends,

Springtime has arrived in Central Texas! Committee members are busy rounding up the last details for our Texas Springtime virtual Party with a Purpose event. We can't wait to see everyone gathered together on April 10, at 7:00 pm on Zoom.

Many thanks to all the members who purchased Party with a Purpose tickets, and contributed to our Fund a Need giving. Your support is vital to help us fulfill our mission of supporting our grant recipients and improving the health of our community.

If you haven't renewed your membership for 2021, please make every effort to do so now. March 31 is the deadline to renew or be considered delinquent. We are very close to 95% renewal for the year!

Community Service has a busy week ahead with hands-on volunteering assisting Code4 during four more vaccination clinic days. One day is scheduled for TCMS on April 3, and a three-day clinic is scheduled on March 31-April 2 for AISD teachers and staff. There are a few spots open to volunteer for the AISD clinics.

Once again, thank you to all the volunteers who have been so generous giving hours of their time to make these Covid-19 vaccination clinics successful.

Party Packages to be delivered April 10th

**Support Party with a Purpose through
"Fund a Need"**

Ticket sales have closed for Party with a Purpose, but it's not too late to support our grant recipients. The TCMS Physician Wellness Program, St. Louise House, and Volunteer Healthcare Clinic do so much good for the community. Support these organizations through our Fund a Need link at [Texas Springtime Round-up!](#) These donations are tax-deductible. The PWAP Committee is so grateful for everyone's support through the planning process, and we're looking forward to a fun celebration on April 10!
