**Note from Christina
Fenrich,
TCMA President**

Howdy Alliance Friends,

Thanks again for making our fundraising efforts so successful this year. We couldn't have pulled this off without the generosity of our sponsors and medical community. With your participation and strong support, our TCMA Foundation grants will help to fulfill our mission of

working toward a healthier Central Texas.

Join us for our final virtual general membership meeting on April 20 at 10:00 am as we present the grants our party funded to our three recipients: St. Louise House, Volunteer Healthcare Clinic, and TCMS Physician Wellness Program. At this meeting, we also look forward to the pinning ceremony of our fabulous incoming President, Jenny Stern, and celebrating our Volunteer of the Year. See Lara's note below for the zoom link.

Alliance volunteers enjoyed assisting TCMS last Sunday evening as a way to welcome first-year medical students to Austin in a socially-distanced drive-thru setting with a free pizza and a goodie bag. TCMA donated a red reusable tote bag, a blue "Lead the Herd-Vaccinated" wrist band, and a cookie for each student. Members enjoyed an opportunity to support our Dell Medical students and to increase their awareness of our organization.

Membership Update: 95% Renewal Rate!

Many thanks to the members who renewed their membership on time this year: YOU made the difference!

As many of you know, our Membership Team spent much time and effort working to retain current members and invite others to join the Travis County Medical Alliance. They worked in conjunction with TMAA's calendar to see that all members knew about renewal deadlines. As of April 30, members who did not renew will be delinquent.

In a show of respect and gratitude to those members who did make an effort to renew on time, those who are delinquent will no longer

SHORT TO RENEW ON TIME, those who are delinquent will no longer receive our organization's weekly Vital Signs and will be removed from Quality of Life committee lists. Instead, twice a month they will be sent an abbreviated Vital Signs. We urge them to renew so that they may be full members of the TCMA. If you have a friend who notices she/he was removed from our contact list, please encourage them to visit our website at [Welcome | Travis Cty Med All \(tcmalliance.org\)](https://www.tcmalliance.org) For questions or assistance with joining the TCMA, please contact President Christina Fenrich at cafenrich@gmail.com.

It's crunch time at the Capitol, with just over a month left of the session. Now's the time to sign up for the final First Tuesdays legislative briefing to hear the latest updates and what we can do to advocate for medicine. To learn more or to register, go to texmed.org/FirstTuesdays.

TMA Foundation Gala May 14

The TMA Foundation Gala will be a virtual party on Friday, May 14. This annual gala helps make the TMA's community service programs possible. The TCMA has been a beneficiary of TMAF grants that have funded Hard Hats and Be Wise Immunize shot clinics.

Two of our own Alliance members, Dr. Belda Zamora and Jamie Fleeger, are chairing the event with their husbands.

Consider purchasing a ticket for \$275 or making a tax-deductible donation of any amount to support the TMAF and our Alliance friends.
